

# Brown Bag Bio

*Here's a fun way to get to know your sisters. Have each sister bring a plain brown paper bag with three things in it that describes her.*

At the meeting:

1. Let everyone select a bag, making sure that the bag is not her own.
2. Taking turns, pull out the objects from the bag and have everyone try to guess from the clues whose bag it is.
3. Repeat until all bags are opened and all sisters identified.

*Comments from Chapter U, Kentucky: "From a can of Pledge to a dinosaur book, this program produced much laughter."*
