

Kansas State Executive Board Organizer

Carie Johnson, FX
10022 W 94th St.
Overland Park, KS 66212
913-515-4843
KSCPEOCarieJohnson@gmail.com

Carie was born in Wichita, Kansas, and grew up in South Kansas City, Missouri, the oldest of two children. The daughter of a public-school speech and debate teacher, education has always been important to her. After graduating from Grandview High School in Grandview, MO, Carie attended Cottey College. This was her first introduction to the P.E.O. Sisterhood. With the aid of a Missouri Cottey Scholarship, she graduated in 1998 with an Associate of Arts degree. Carie then completed her Bachelor of Arts in Public Relations and Communications in 2000 at Webster University in St. Louis, MO, utilizing the P.E.O. Educational Loan Fund (ELF Loan).

Carie worked as a volunteer coordinator and event planner for non-profit organizations, and it was while working for the Shawnee, KS Chamber of Commerce that she met Jean Nelson, a longtime member of Chapter FX, Kansas City. Jean gave her the gift of sisterhood, and Carie was initiated into Chapter FX in 2006. She has served as the Cottey chair, guard, vice president, and president. She currently serves on her chapter's projects committee. Finding, working with, and sponsoring women for our educational projects is one of her favorite parts of being a P.E.O.

Carie has served on the Kansas Cottey College Scholarship Committee and was chair for the 2018-2019 year. She especially enjoyed helping young women in Kansas pursue their educational goals at Cottey. She was also a member of the Convention Advisory Committee, serving as chair for the 120th Kansas State Convention in 2023, Manhattan, KS.

Carie married Warren Johnson in May of 2004. They are the proud parents of Abraham, who is a freshman at Pittsburg State University majoring in elementary education, and twin daughters Alice and Nell, who are 8th graders at Westridge Middle School. When Carie isn't driving the kids to their many activities or volunteering in their schools, she enjoys reading, gardening, puzzles, and exploring National Parks and nature trails with her family.
